9. Estimated cost of works. \$100 to \$2,000.
10. Estimated time required to construct works. one month
11. Estimated time required to complete the application to beneficial use. Within one year after permit granted.
12. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use. Surveyor's map will follow. It is understood that previous application #30378 filed on this well; but we would like opportunity to place well to beneficial use should it become available anytime in next several years. We have an immediate use for 3,000 gallons a day to operate trommel, and the warm water would save heating requirements in the winter.
